## Black Terrazo Bowl

**A classic profile that is perfect for a rich interior. Featuring a clean smooth surface, the Black Terrazo Bowl is versatile and sophisticated.**

The hand crafted Terrazo planter features a weather resistant finish. Its dense side wall is incredibly strong, and produces a very durable product. Though drainage is available, this planter is watertight and is commonly used for indoor applications.

Engineered stone is a composite material made of crushed stone bound together by a polymer resin or an advanced concrete. This category includes engineered quartz, polymer concrete and engineered marble stone.
